WORK IT OUT

Living waters will flow from within Him. John 7: 38

One of the dangers in seeking to be filled with the Holy Spirit is that we can reduce it to an "experience" rather than releasing it to accomplish great things for God. If there's an infilling, there must be an out flowing! Every time someone in the New Testament was filled with the Holy Spirit, things happened. Amazing healings took place. They had book burnings in the town square. Idol makers and pornographers went out of business. They didn't just celebrate in church; they took it to the streets. There must be an outflow! The first picture we have of God in the Bible is of Him in His creative role. He makes us in His image, breathes life

into us, then says, "Go out and become productive" (See Ge 1:28). Are you hoping your life will "just change for the better?" Are you praying for somebody with all the answers to come along and improve your circumstances? No, what's inside you will change what's outside you, if you put it to work! This is not some glib, "can do" self-help sentiment. "It is God who works in you" (Php 2:13 NIV). The struggle in your life right now may be over what God wants to do through you! What's within you is greater than the trouble you've been through, the situation you're in or the obstacles that lie in your path. When everything around you is saying "no," but something deep within you is saying "yes," that's your God-given destiny. Acknowledge it, anchor your life to it and begin to work it out. If you do, God will work with you.

Welcome to Our Visitors

The Monroe St. church of Christ wishes to welcome all of our visitors and would like for you to know that you are our Honored Guest. If we can be of any service to you or answer any questions regarding our worship services please feel free to ask. Thank you for worshipping with us.

What IS The Church of Christ?

The church is not a denomination. We are a fellowship of Christians who want

understand and obey the Will of God. We limit ourselves by The Word of God; therefore, we do not interpret the Word through "Traditional" ideologies. We are not bound to any man-made creeds or traditions; nor do we force our beliefs upon others. Our Lord expects us to look beyond historical positions and ideas that conflict with Scripture. Therefore, our concern is always, "What does the Bible say about the Matter?"

Mission Statement

OUR MISSION IS TO SERVE CHRIST AND THE COMMUNITY BY FAITH.

To Secure our Future Today. We will achieve our Mission
 by becoming God-Focused Christians through Worship,
 Fellowship, Discipleship, and Evangelism.
